

"State of Emergency" as measure against the spread of coronavirus (COVID-19)

Dear All

According to Japanese government declared "state of emergency" as measure against the spread of coronavirus for 7 prefectures (Tokyo, Kanagawa, Saitama, Chiba, Osaka, Fukuoka and Hyogo) until 6th May, 2020.

We will counter measure below accordingly:

- 1: Our office and warehouse are still open as normal hours (from 8:45 to 17:45).
- 2: Some of staff will work from home.
- 3: Some of staff will use staggered working hours.

Please be advised that most of maker, supplier and domestic transportation company will take similar measure.

Hence, our response, arrangement has possibility to delay, but we will do our best to keep same service for your good company as usual.

Please feel free to contact us if you have any question or concern of this matter.

We hope you and your all staff include crew and all family will be fine until the spread of coronavirus come to an end.
